

Reference to Validation/Verification Statement

Date: 3 Mar 2023

TAC's client is authorized to reference to TAC's validation/ verification statement subjected to the conditions below:

TAC's client shall ensure that:

- The Statement shall be used only in relation to the claim which has been validated/ verified.
- Under no condition the Statement shall in any misleading manner with regards to product certification or any other kinds of conformity assessments.
- When using the Statement, it shall be ensured traceability back to TAC and to the validation/ verification statement issued.
- any opinions or reports of factual findings shall be communicated in their entirety.

Example of acceptable references for TAC's verified statement

Short form	Long form
"Verified at the reasonable level of assurance"	"In its opinion dated 20xx-xx-xx, TAC concluded with reasonable assurance that the data and information in the statement were fairly stated."
"Verified at the limited level of assurance"	"In its opinion dated 20xx-xx-xx, TAC found no evidence to indicate that the data and information in the statement were not fairly stated."

Any use of a short-form reference shall include or make reference to a long-form reference (i.e. the long-form reference is provided in proximity to the short-form reference in the same medium, or a reference to the location of the long-form reference in another medium, such as website, is provided in proximity to the short-form reference.)
